

## Survey for Annex VI: treaty to reduce air pollution in ports and harbours:

1. Your name, where you live (location is fine, we don't need your address)

John Riding. Greater Wellington area.

2. Do you think New Zealand should accede to MARPOL Annex VI?

Yes. It should have done so years ago as the standards needing to be set are t

3. Why do you think this?

Because limiting the aerial discharge of fuel contaminants has been proven to re

Sometimes we want to know a little bit more about what someone thinks. If this is the case with you, are you ok if we get in touch? What is the best way to do this? (please provide an email or phone number).

If you need more information to assist you in preparing a submission, please contact Brian Nijman at [b.nijman@transport.govt.nz](mailto:b.nijman@transport.govt.nz) or through the email address above.
